POP-UP Informant Worm

INSTRUCTIONS

CUT ME OUT and stick me in your pop-up card

Fold a piece of construction paper in half. Cut out a shape like an apple! Make sure it hinges.

Next:

cut out two thin strips of paper

about this size and length.

Then:

Put a small spot of glue on the end of the strip and stick in apple. Glue other strip to it at a right angle.

Make the pop-up by folding the 2 strips over and over each other:

Glue last flap down

This makes a little accordion.

SPY FOX in SEARCH FOR THE LOST "OFF SWITCH" GAME

Rules:

TURN ANY ROOM into an imaginary World's Fair — one player is SPY Fox (playing with SPY Fox decoy).

PLAYER must find the "off switch" hidden somewhere in the room-on his knees or **crawling only**. Player can not stand up. (This provides point-of-view with more World's Fair grandeur.)

OFF SWITCH can be any item in the room. Just tape a label **ON/OFF** to underside.

SPY FOX can inspect anything within reach of player's kneeling position.

OBSERVER/MONITOR can mutter "Hot" or "Cold" to encourage progress — or not!
